Use the following reflecting questions to brainstorm ideas for your self-portrait:

REFLECTION	IDEA
IDENTITY: Identify at least 5 words that make you unique.	
SYMBOLISM: Draw a picture for each of the five words you wrote that make you unique.	
TECHNIQUE: What techniques would you like to use in your self-portrait? Do you want to create a portrait more in Wiley's style or Lawrence's style? Or, do you want to use elements of both of their work in your self-portrait?	
MATERIALS: What materials do you want to use? Do you want to paint, sketch, color, create a collage, take a staged photograph?
